Welcome to the next edition of our newsletter. This is a double copy as I didn't send out one for May. This a great way to share up to date news and some of the meaningful ways we spend our time. We hope that you will enjoy receiving this and any feedback, or suggestions on content is always gratefully received.

We have had many Birthday celebrations since our last newsletter ...

and Audrey has hers coming up on 30th June

Visiting update... our residents are now welcoming up to five designated loved ones into their rooms, and Pod visits and video calling are as popular as ever. It is lovely to see so many garden visits happening now that Summer has finally arrived!

We have celebrated and acknowledged many special events recently.

8th May we acknowledged V E Day and celebrated by having a fun patriotic photo shoot which we then used to create a special video. (this can be watched on our Facebook page)

It's a victory of the great British nation as a whole.

We were the first, in this ancient island, to draw the sword against tyranny.

After a while we were left all alone against the most tremendous military

power that has been seen.

We were all alone for a whole year...

Winston Churchill

Staff and residents got together to surprise Sharon for her birthday

Doreen and Maurice celebrated their 58th Wedding Anniversary

Dementia Awareness Week

We created beautiful forget-me-not bunting to hang in our orangery, and held a special music session as well as a coffee afternoon...

SOME OF THE DELIGHTS SERVED RECENTLY

We celebrated Nutrition and Hydration week. We talked about the benefits of good nutrition and hydration and the results of poor nutrition and hydration. We enjoyed many fruits throughout the week and sampled a special wild berry fruit smoothie, created by our wonderful chef.

It is wonderful to be able to spend so much time outdoors, whether we are busy, relaxing or enjoying a village walk

Footprints in the sand

One night a man had a dream
He walked along a beach, the Lord at his side.
Across the sky flashed scenes from his life ...

... He saw two sets of footprints in the sand,
his own and those of the Lord.

But looking back he noticed at times along
the path, there was only one set of footprints.
This was often at difficult times of his life ...

... He asked, "My Lord, you said that if I
follow you, you would walk with me all the way.
But in times of trouble there is only one set
of footprints. Why have you left me when
I needed you the most?" ...

... The Lord answered, "My precious child,
I love you and I would never leave you.
During your times of trial,
when you see only one set of footprints,
that's when I was carrying you."

We celebrated our special gentlemen for Father's Day...
