### New Year Blessings

Here comes a brand new year,  
Lots of new things to explore,  
A clean, blank slate to write on,  
Fun happenings galore.

To you we wish the best of things,  
All the blessings a new year brings.

Well, we have celebrated in true Charnwood fashion this past month! There have been the delicious seasonal foods and drinks aplenty, singing and dancing galore, many opportunities to get involved in an array of different arts and crafts projects, along with creating new seasonal displays throughout the month, fun themed games and quizzes, reminiscing of Christmases past as well as remembering the true meaning of Christmas, singing many hymns and joining in with our praise services.

We realise that, due to the Covid safety precautions, friends and families were unable to join us for any of our festivities throughout the Christmas period, so thought it would be apt to dedicate this newsletter to Christmas and fill it with an album of photographs to share with you all. (My I take this opportunity to thank you all for your ongoing support and understanding during this special time of the year!)
